Dear in Christ,

Greetings in the name of our Lord and Savior Jesus Christ. You would be aware of the new EU General Data Protection Regulation which has come into force from May, 2018. In the wake of this regulation Church or Parish as a data controller and processor must strictly comply with the data regulation policies. We as a Parish should be aware of its nuances and conform our data processing accordingly; meanwhile I trust already awareness through Parish meetings, and announcements have been beneficial in this regard.

Thus, as a first step towards GDPR compliance every individual parishioner needs to complete the **consent form** and a **membership details update form** and return it to the office on or before 20, October, 2018. Kindly appreciate that these documentations are very crucial for every parishioner as a member of the St. Thomas Indian Orthodox church, Dublin and as responsible citizen of the Republic of Ireland.

In Christ,

Fr. Anish John
Vicar
